

ATUL DUBEY

B.Sc. Information Technology Student

OBJECTIVE

Motivated B.Sc. IT student with strong programming skills and proven leadership abilities. Proficient in multiple programming languages and eager to apply academic knowledge in real-world environments. Looking for an opportunity to apply my technical skills to contribute to innovative projects and continuously grow in the field.

EDUCATION

Bachelor of Science in Information Technology (B.Sc. IT) | Thakur College of Science and Commerce | 2024 - 2027

HSC | Shripati International Public School | 2024 | 85%

SSC | St. Xavier's Inter College | 2022 | 87.6%

PROJECTS

Digital Consent and Permission Management System | Java, JDBC, MySQL, UML Design

- Developed a role-based web app to manage digital consent between organisations and users, with request, approval/rejection, and status-tracking workflows.
- Designed admin functionality for organisation approval, user management, and audit log monitoring.
- Applied OOP concepts, UML modeling, and the DAO pattern for database operations.

Amazon Clone Website | HTML, CSS, JavaScript, MySQL

- Built a responsive e-commerce clone with user authentication, product browsing, shopping cart, and checkout.
- Strengthened web development and database integration skills.

Cricket Analytics Dashboard | Python, Pandas, Matplotlib

- Analyzed player and match statistics and visualized performance metrics (runs, wickets, strike rates) via interactive charts.

Customer Complaint Analysis Dashboard | R Shiny, Plotly, Tidyverse

- Designed an interactive analytics dashboard with KPI views and dynamic filters to support data-driven decisions.

WORK EXPERIENCE

Exam Proctor Intern — EnFuse Solutions | Sept - Oct 2025 | Stipend: Rs. 5,000

- Ensured smooth, secure, and fair conduct of online examinations while monitoring candidates to prevent malpractice.
- Verified candidate identities, assisted with examination logistics, and resolved technical issues during assessments.
- Maintained professional communication with examinees and coordinated with internal teams for issue escalation.

WORKSHOPS

Ethical Hacking Workshop | Techfest, IIT Bombay | Dec 2025

- Hands-on exposure to network security, vulnerability assessment, and penetration testing concepts.

Machine Learning Workshop | Techfest, IIT Bombay | Dec 2025

- Built predictive models covering data preprocessing, feature engineering, and model evaluation.

ACHIEVEMENTS

- First Prize, Chemistry Competition — Class 12.
- Academic Merit Certificate for Second Position — Class 11.
- Member of the winning school cricket team, Inter-School Cricket Tournament (Class 12).
- Active participant in aptitude tests, technical quizzes, and coding challenges.
